

## Men and women were made for each other

---

:

*they are a clothing for you and you are a clothing for them*

Allah made the man clothing for the woman  
and the woman clothing for the man  
the idea of equality, complementarity, and  
support of both a psychological and physical nature

1

Men and women are each other's garments

2

3

*than Allah would have never described them both as clothes*

1:  
2:  
3:

*The Meaning of The Holy Qur'an*

*Neither was the man created for the woman; but the woman for the man*
